

ProQuest Case Studies User Guide

- 1 Visit the library website at library.help.edu.my. From the main menu, navigate to "Databases", then click on "Digital Library".

- 2 In the database list, click the letter "P" or scroll down to the "P" section. Then, click on ProQuest Central (47 databases).

- 3 Log in to the database using your student ID and Outlook password.

- 4 Once on the ProQuest page, click "Advanced Search" to locate case studies.

- 5 Enter your topic or title in the search box.

- 6 Select "Case Study" as the document type, then click "Search" to view the results.
