

SSL Emerald Case Studies User Guide

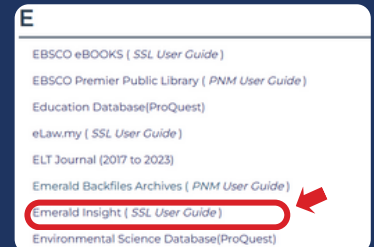

Step 1

Visit the library website at library.help.edu.my. From the main menu, navigate to "Databases", then click on "Digital Library".

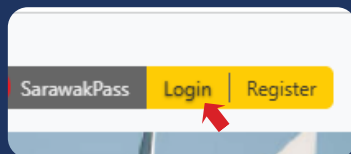

Step 2

In the database list, click the letter "E" or scroll down to the "E" section. Then, click on Emerald Insight (SSL User Guide) to open the database.

Step 3

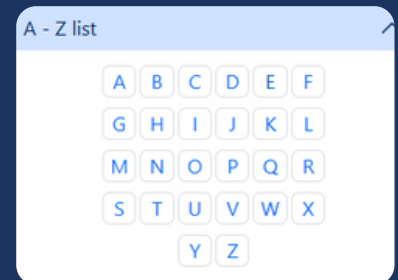

Log in to the Sarawak Library using your account credentials

Note: If you do not have an account, click "Register" to create a new account

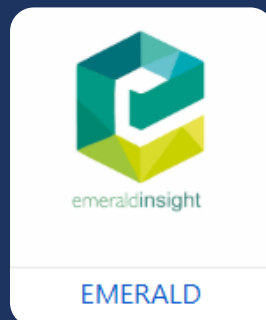

Step 4

In the lower-left corner, click the letter "E" to access Emerald Insight

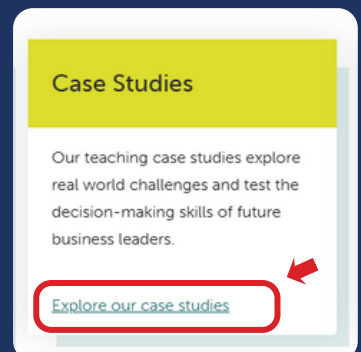

Step 5

Click the Emerald icon, then click the "View" box to access the database.

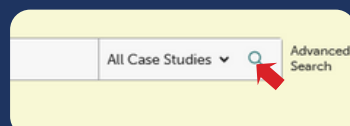

Step 6

Once on the Emerald Insight page, click "Explore Our Case Studies" to browse case study articles.

Step 7

Enter your topic or title in the search box, then click the search icon to view the results.

Step 8

You can refine and update your search using the filters on the left panel, including filter by case provider.

Case Provider

- ☐ Emerald Emerging Markets Case Studies (1668)
- ☐ The CASE Journal (630)
- ☐ Kellogg School of Management Cases (430)
