Online Databases

What is the difference ?

Why Print/eBooks and Database Journals ?

Difference – Books vs Journals Articles

HELP UNIVERSITY

BOOKS (Print or eBooks)

- Books authors need time to write the book usually take 1 to 2 years.
- The book content is slightly outdated because of time taken to publish.
- Books are required to obtain information on theories and facts of a topic or subject area.

DATABASE JOURNALS

- Journals published the latest findings of a subject area.
- For research, assignment and final year projects, you need the latest findings of a subject area.
- But you also need books for theories and facts.
