**User Guide Sarawak State Library (SSL) registration for
online database**

User Guide to Register SSL Online Database

✓ **Library Digital Library:** <https://library.help.edu.my/digital-library-resources/>

The screenshot shows the 'Digital Library Resources' page. At the top is a red navigation bar with links: Home, Library (LRC) v, OPAC v, Databases v, Research v, Library Facilities & Services v, and Contact Us v. Below this is a header section with 'Digital Library Resources' on the left and 'Home / Digital Library Resources' on the right. A row of four buttons follows: 'Online Databases' (highlighted in red), 'Open Access Resources', 'OER', and 'HELP Publications'. Below the buttons, a blue text message says 'Login Required!'. The main content area is divided into two columns. The left column, titled 'Online Databases', features a grid of letter buttons (A-Z) and a list of database titles under the letter 'A': 'ABI/INFORM Collection(ProQuest)', 'Accounting, Tax & Banking Collection(ProQuest)', and 'Advanced Technologies & Aerospace Database(ProQuest)'. The right column contains a box titled 'Login Required:' with a list of three login options: 1. HELP University Library - HelpLive Account Login, 2. (PNM) National Library of Malaysia - Member Login, and 3. (SSL) Sarawak State Library - Member Login. A red arrow points from a callout box to the 'Member Login' link in the third option.

Section 1: How To Register SSL Database

1. To register or log in SSL Online Databases at:

<https://pustaka.librarynet.com.my/Angka.sa2/PUSTAKA/OpacOnlineDatabase.htm>

and click on 'Register'

July 2025

Section 1: How To Register SSL Database

2. Select your account identification either 'Malaysian or Non-Malaysian' to create SarawakID.

Exclusive access features

Create your SarawakID to access online services provided by the Sarawak Government through a Single Sign-on identity.

Register as an individual, corporate or Sarawak Civil Servant and gain access to your own secure personal workspace, Public/Corporate Workspace.

With Public/Corporate Workspace, you can receive utility bills, make payments, keep track of your online service applications status, save your favourite services, and more.

Section 1: How To Register SSL Database

3. Create your own SarawakID and enter your IC details for Malaysian or enter your passport details for non-Malaysian, tick on 'I'm not a robot' and click 'Next'.

The screenshot shows a registration form titled "Your Profile" with a note "All fields are mandatory". At the top, there is a progress bar with three steps: 1 (highlighted in yellow), 2, and 3. The form contains the following fields:

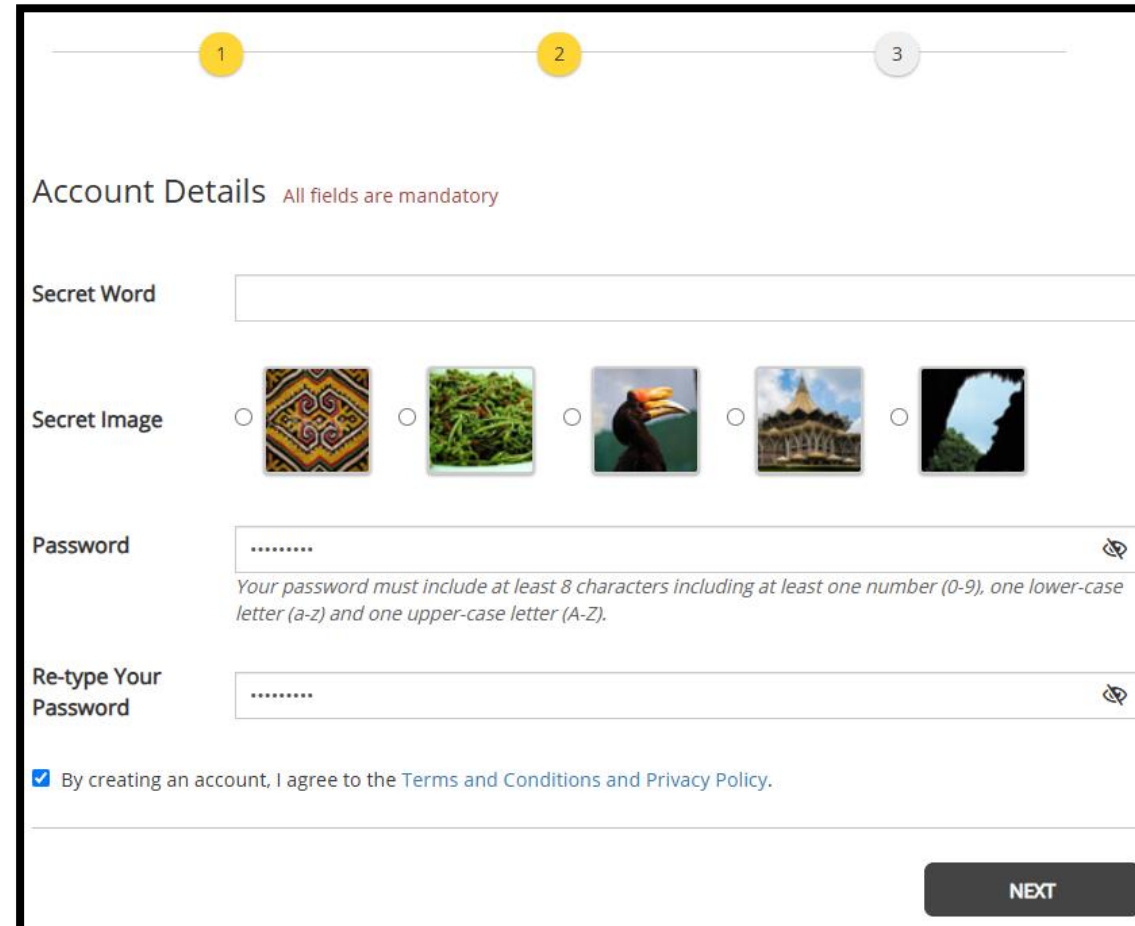

- SarawakID**: A text input field with a "VERIFY" button. Below it, instructions state: "Between 5-30 characters" and "Use only alphanumeric characters (1-9), (a-z), (A-Z), or special characters (_ @ .)".
- Name**: A text input field with instructions: "Your full name (As per MyKad)."
- MyKad**: A text input field with instructions: "Use numbe...ly, without dashes."
- Captcha**: A reCAPTCHA widget showing a green checkmark and the text "I'm not a robot". Below the widget are links for "Privacy" and "Terms".

A "NEXT" button is located at the bottom right of the form.

Section 1: How To Register SSL Database

4. Enter any secret word and select secret image. Then, create your password and click 'Next'.

Section 2: How To Access SSL Database (First time Users)

5. Click on 'Update My Profile' to enter your incomplete information.

Section 2: How To Access SSL Database (First time Users)

6. After completing your profile click on 'Save'.

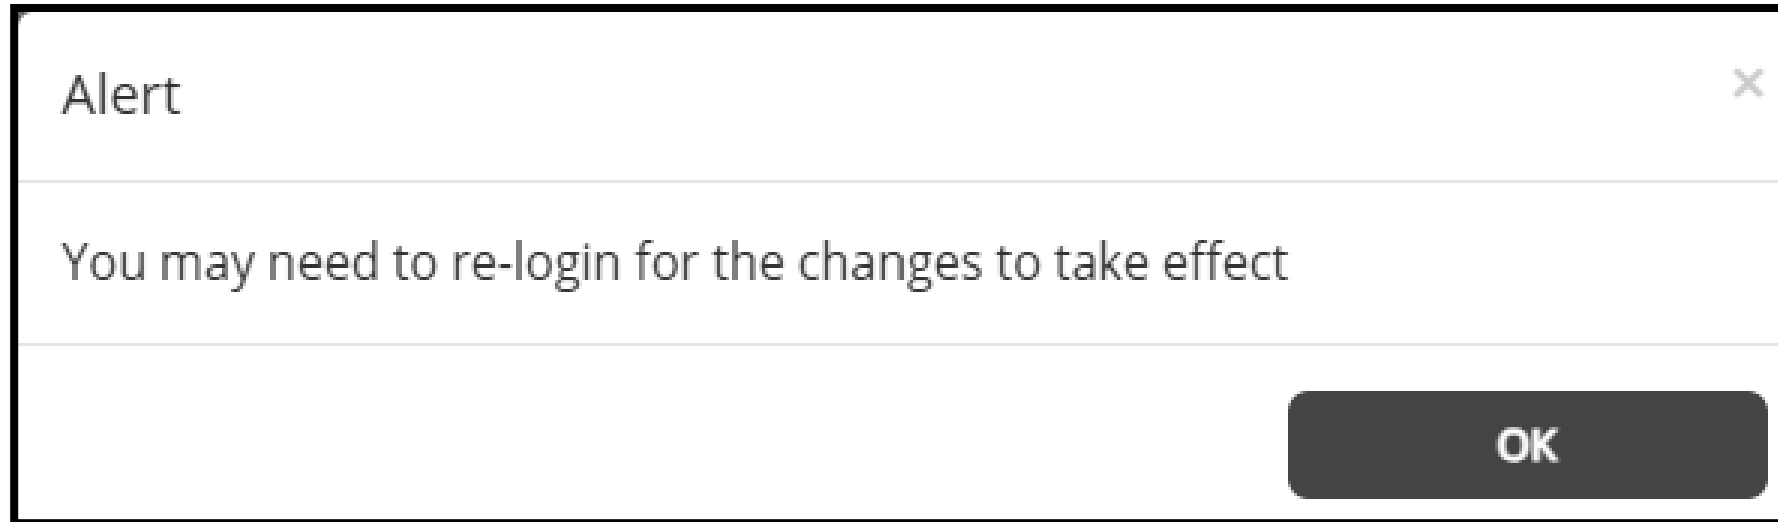

The screenshot shows the 'The Official Portal of Sarawak Government' interface. At the top, there is a header with the Sarawak Government logo and the text 'The Official Portal of Sarawak Government'. Below the header, there are several input fields for profile completion. The 'Postcode' field is filled with '36100'. The 'City' field is filled with 'BAGAN DATUK'. The 'State' field is a dropdown menu currently showing 'Perak'. Below these fields, there is a section titled 'Your Security Information'. This section includes a 'Secret Image' field with five image thumbnails; the fourth thumbnail, showing a building, is selected with a green border. Below the images is a 'Secret Word' field, which is currently empty. At the bottom right of the form, there are two buttons: a red 'BACK' button and a grey 'SAVE' button.

Section 2: How To Access SSL Database (First time Users)

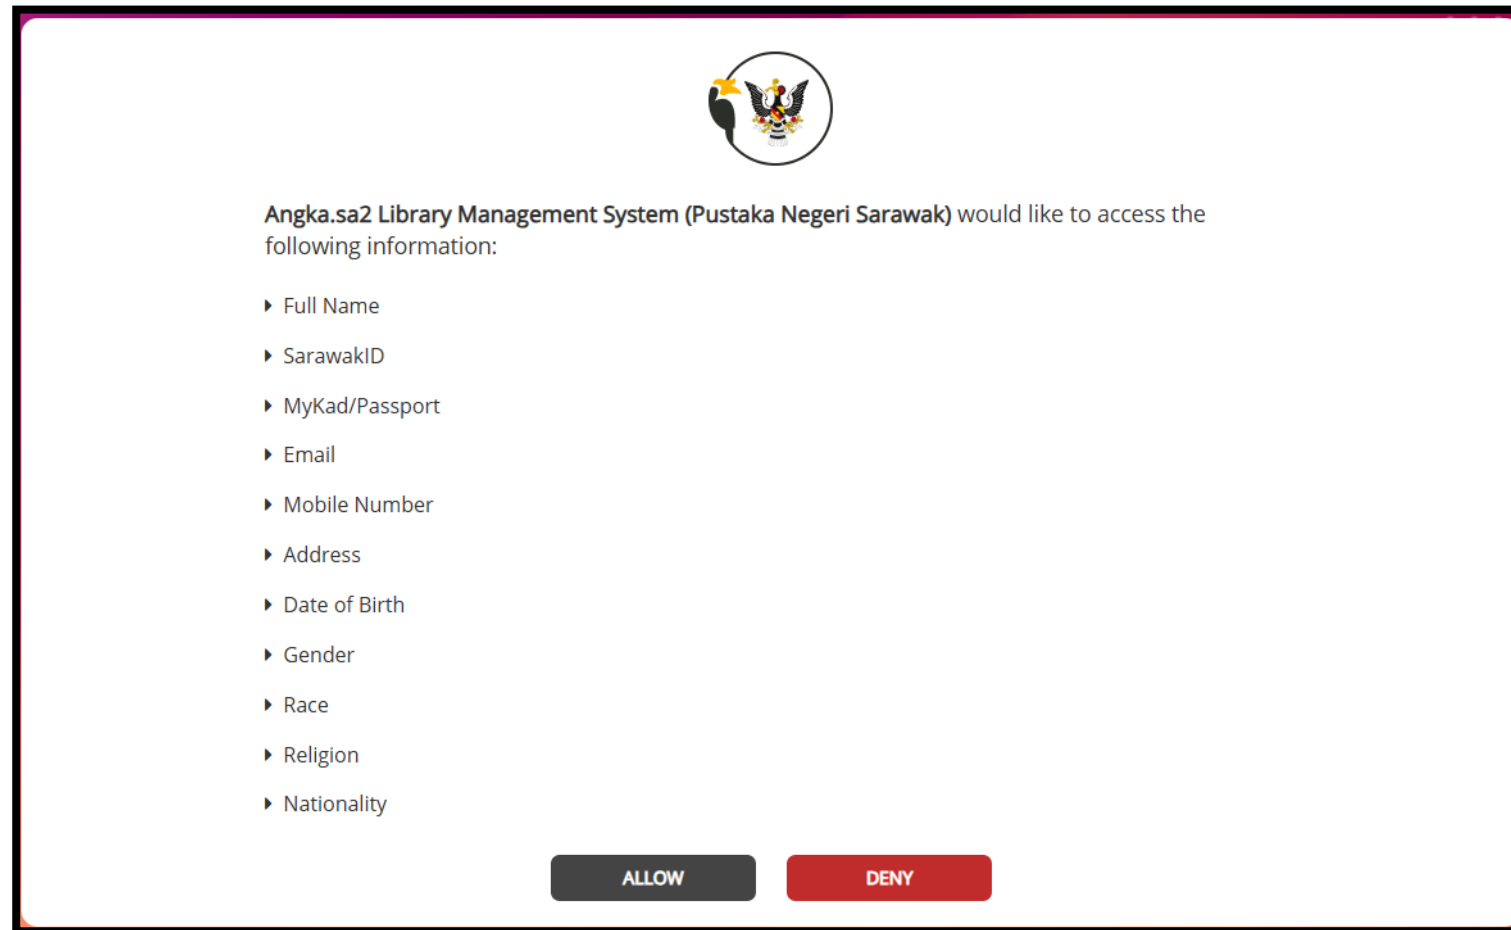

7. Click 'Ok' and you are required to re-login your account at

<https://pustaka.library.net.com.my/Angka.sa2/PUSTAKA/OpacOnlineDatabase.htm>

Section 2: How To Access SSL Database (First time Users)

8. After re-login, you need to click on 'Allow' to give access to the Library Management System.

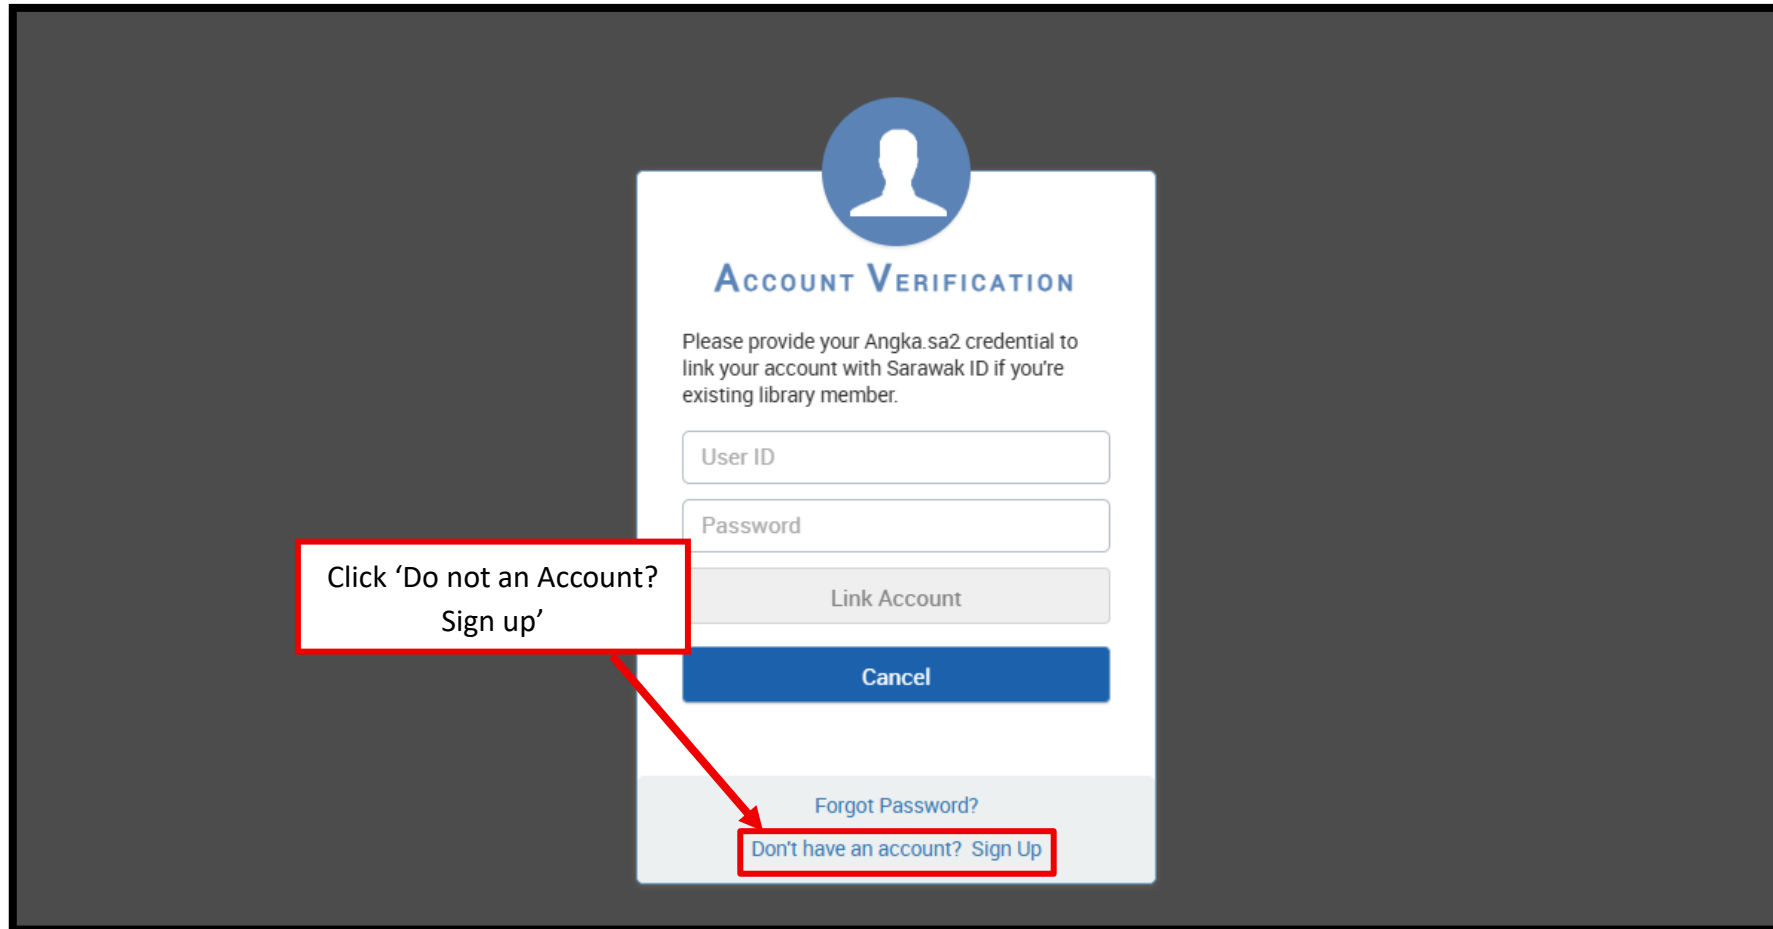

July 2025

Section 2: How To Access SSL Database (First time Users)

9. For account verification you need to click on 'Do not an Account? Sign up' for the first time user.

The screenshot shows a mobile application interface for account verification. At the top is a blue circular icon with a white silhouette of a person. Below it, the text "ACCOUNT VERIFICATION" is displayed in blue. A message in black text reads: "Please provide your Angka.sa2 credential to link your account with Sarawak ID if you're existing library member." Below this message are two input fields: "User ID" and "Password". Under the "Password" field is a grey button labeled "Link Account". Below that is a blue button labeled "Cancel". At the bottom of the form is a link that says "Forgot Password?". Below the "Forgot Password?" link is a red-bordered box containing the text "Don't have an account? Sign Up". A red callout box with a red arrow points from the text "Click 'Do not an Account? Sign up'" to the "Don't have an account? Sign Up" link.

ACCOUNT VERIFICATION

Please provide your Angka.sa2 credential to link your account with Sarawak ID if you're existing library member.

Section 2: How To Access SSL Database (First time Users)

10. Tick on declaration and click 'submit'

The screenshot shows the registration page for Pustaka Negeri Sarawak. The header includes the logo and navigation links: Home, Catalogue, and Online Database. The form fields are as follows:

- Email Address: (empty text field)
- Salutation: Ms. (dropdown menu)
- Race: Malay (dropdown menu)
- Profession: Please Select (dropdown menu)
- Contact: Phone (Mobile) (dropdown menu) and a text field
- Address: (empty text field)
- Postcode: (empty text field with a globe icon)
- City: Please Select (dropdown menu)
- State: (empty dropdown menu)
- Country: Malaysia (dropdown menu)
- Choose a location to register: Pustaka Negeri Sarawak (dropdown menu)

Below the form is the Declaration section:

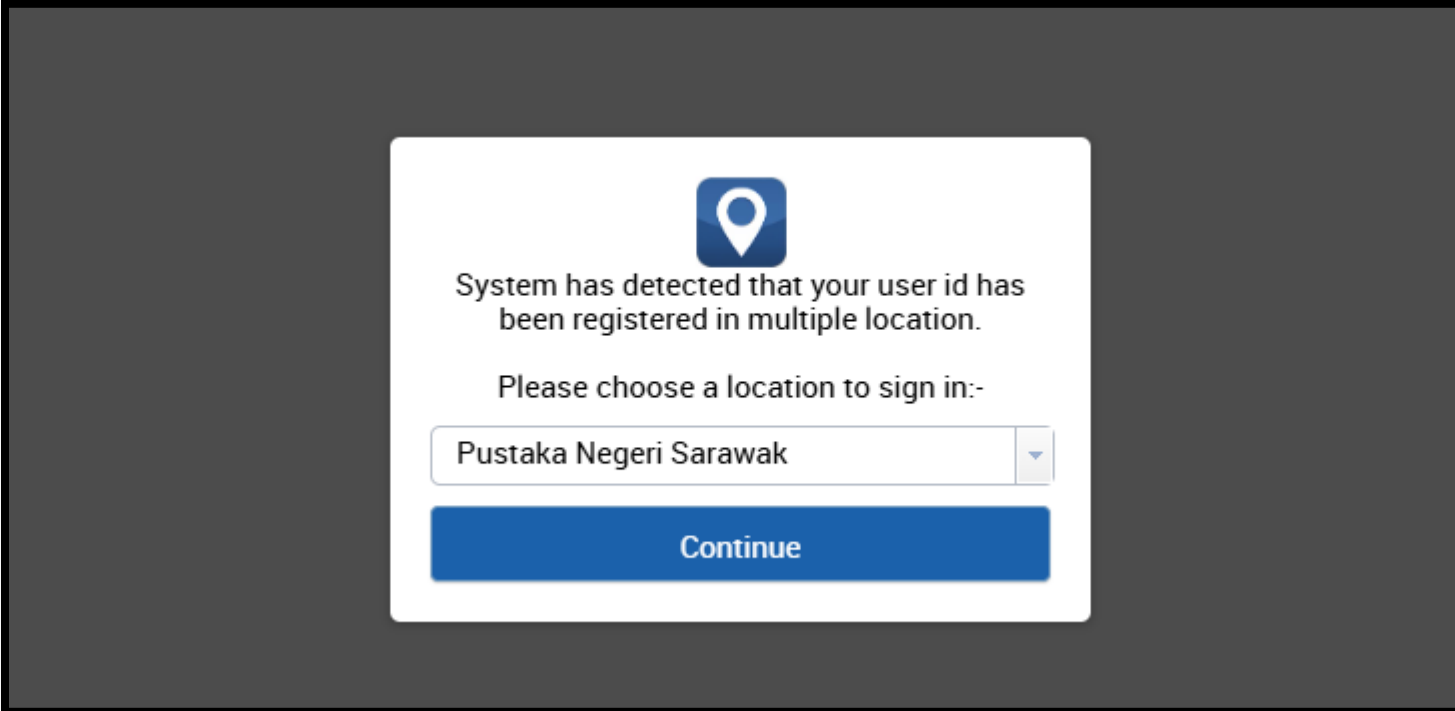

- A checked checkbox followed by the text: "I certify that the information provided above is correct to my own knowledge and I acknowledge that the service provider reserves the right to remove my record from its registration it deems inappropriate without prior notice to me."
- A statement: "I hereby have read and agreed the term and condition on the Privacy Policy being imposed by service providerClick to read more on [Privacy Policy](#)."

A blue Submit button is located at the bottom right of the form.

Section 2: How To Access SSL Database (First time Users)

11. Re-login your account again. Then click on 'Continue'.

A screenshot of a web application interface showing a confirmation dialog box. The dialog box is white with rounded corners and is centered on a dark gray background. At the top of the dialog is a blue square icon with a white location pin. Below the icon, the text reads: "System has detected that your user id has been registered in multiple location." followed by "Please choose a location to sign in:-". There is a dropdown menu with "Pustaka Negeri Sarawak" selected. At the bottom of the dialog is a blue button with the text "Continue".

System has detected that your user id has been registered in multiple location.

Please choose a location to sign in:-
